WSNTA DATA PROTECTION POLICY

Members of the WSNTA supply contact details which are retained for the purpose of informing them about the Association's activities. The data is administered by the Membership Secretary, and copies are supplied to Key

Officers for the purpose stated above. It is stored as printed copy and on computers owned by the officers named above, which are password and Anti-virus protected. To inspect your data record, contact the Membership Secretary or Chairman, addresses in our newsletter. We only record information that you have yourself provided. Personal information will not be passed to third parties but could be provided to an event organiser to confirm details previously supplied by a member when booking. E-mail communications sent to more than one member will be sent as 'Blind Copy' to maintain anonymity of the multiple recipients. Any member who wishes to opt out of having any or all his or her personal contact information kept on file should contact the Membership Secretary, though this could make it impossible for the Association to pass information to the member.
